

Behaviour & Feelings

Discussion questions

- How are the people in the photos feeling? What could have happened to make them feel like that?
- Should people act on their feelings? If you are in a bad mood, can people around you tell?
- What is good behaviour? What is bad behaviour?
- What behaviors are expected from children, teenagers, adults?
- Have you ever not tolerated someone's behavior?
- Do you care what other people think of you?
- Should people behave differently with friends than with family?
- Does it always pay to be good?
- How can people improve themselves?
- Are bad people bad because of circumstances or choices? What about good people?
